THE WHITE RANGER

WHITE RANGER

NAME: Tommy.
VITAL STATISTICS: 5'6", brown hair.
POWER RANGER COLOR: White.
POWER SOURCE: White Tiger.
WEAPON: Power Sword.
VEHICLE: White Tiger Thunderzord.
SPECIAL SKILL: Martial Arts.
PERSONAL: As part of an evil scheme, Rita Repulsa cast a spell over Tommy, a new kid in town. Rita captured him and brought him to her palace where she used a sixth power coin, acquired 10,000 years ago to make him the Green Ranger. The other Rangers prevailed and broke the spell, but Tommy gave up his powers rather than lose them to Rita. Finally, Tommy was empowered by Zordon to help the Rangers and he now fights along side his friends as the team's leader.

MORPHIN MAIL

Dear Hamilton Comics,

Nice to talk to you again! You recently published my letter in an earlier comic. I have just finished reading **Mighty Morphin Power Rangers** #5 and it's dope! "Stranger in a Strange Town" was a little confusing, but good. Continuing on, I read your mail column. Oh boy, was I surprised when I saw my name in a letter. Responding to Matt Soileau from California, I now realize how I made my mistake. You do have your own opinions about Power Rangers, but didn't you at first dislike the three new Rangers? I did. But, soon after I saw **Mighty Morphin Power Rangers Live**, I began to like Rocky, Adam, and Aisha. So to you, Matt, I know Thuy, Austin, and Walter wanted more money, but in my book Trini Kwan is still *numero uno*! Hamilton Comics, thank you for allowing me to speak my mind about Matt's remark. So, keep up the excellent work and please don't only make six issues, because I **love** your comics!

Dear Hamilton Comics,

Hi, my name is Joshua. I really like the Power Rangers comics. I have all of the issues that have come out. Is it really only six parts? I hope it lives longer than that. Power Rangers is my favorite show and my favorite comic. Keep on Morphin!

Sincerely,
Joshua King

I've really enjoyed your past five issues. I hope you continue

the comics. The **MMPR** movie is coming out on June 30th, '95, so I was wondering if in the next couple of issues you would put the 3rd set of zords, Ivan Ooze, the new armored outfits and the new command center.

I've also read how people are always trying to tell you to make up your own story because it's your comic. But I disagree; listen to Saban or you might get fired.

I'm ten years old, but I still like the Power Rangers. I think your comic is sweet!

I'll be honest. I've never read Hamilton Comics before this. The artwork belongs in a museum, and the plots are great. I like the fact you used the power weapons and ThunderZords separately. The show doesn't do that often. I also like you putting in the new White Ranger. I don't read comics much but I'm sticking with your comics.

Sincerely,

I love **MMPR** #5 with the monster called Kid Zippo, and I love all the other Power Ranger comics. I would like to see Rita and Zedd get married in your comics. I would also like to see Billy and Trini repairing their Zords. They talk about it on the show but you don't see it.

Dear Power Rangers,

I just bought your comic book and I love it. I am a big fan of yours, and I always watch your TV show. I am eight years old and my favorite rangers are Tommy and Kimberly. My wish is to see the Power Rangers in person and I am gonna see your movie in summer.

Yours truly,

Dear **MMPR** staff,

I think your **MMPR** comic is awesome! Especially issue #5! I'm 24 years old, so I never outgrow those Power Rangers!

After reading issue #5's letter page where the readers pointed out errors and differences, here's mine:

1. When Tommy changes into the White Ranger, he doesn't say "White Tiger," he says "Tigerzord."

2. Wrong order of call of Power Rangers. It's this way: Tigerzord! Mastodon! Pterodactyl! Triceratops! Saber-Tooth Tiger! Tyrannosaurus!

3. When will the White Ranger's Tigerzord appear in the comic book as well as Tor the Turtlezord? And when will Rita Repulsa and Scorpina appear in the comic book series? (I noticed Rita and Lord Zedd got married on a recent **MMPR** TV episode.)

Until these are found out, Keep on Morphin!
